

Orange Care Baba de Caracol Body Milk is the result of the latest discoveries in the cosmetic field. It is a multipurpose body milk that provides deep and constant skin regeneration. Its high repairing power is based on the combination of renewal actives ready to act where most needed:

- Allantoin: repairs and regenerates tissues
- Glycolic acid: provides a natural peeling that renews and rejuvenates skin.
- Collagen and Elastin: essential for skin tightness and firmness
- Vitamins and proteins: nourish and soften skin.

Daily use helps fortifying and renewing skin tissues with extraordinary results in the treatment of: skin marks and imperfections, stretch marks, dryness and chapped skin.

**Application method:** apply two or three times a day on thoroughly cleansed skin with a soft massage. **Precautions:** avoid its use during prolonged sun exposure. Avoid eye contact. For external use only. Keep out of reach of children.

**DOES NOT CONTAIN PARABENS. THE PERFUME DOES NOT CONTAIN ALLERGENS.**
